

Announcement of the Board of Directors of Thailand Greenhouse Gas Management Organization on Determination of Rates and Methods of Payment for Registration Fees and Certification Fees under the Thailand Voluntary Emission Reduction Program, B.E. 2568 (2025)

Whereas it is deemed appropriate to revise the fee rates for the registration and renewable of crediting period, and for the certification of carbon credits from the projects under Thailand Voluntary Emission Reduction Program (T-VER);

By virtue of section 10 of the Royal Decree Establishing the Thailand Greenhouse Gas Management Organization (Public Organization), B.E. 2550 (2007), in conjunction with section 8 (4) and section 20 (5) (g) of the Royal Decree Establishing the Thailand Greenhouse Gas Management Organization (Public Organization) (No. 2), B.E. 2562 (2019), as amended by the Royal Decree Establishing the Thailand Greenhouse Gas Management Organization (Public Organization) (No. 3), B.E. 2568 (2025), and the decision made at the 13/2568 meeting of the Board of Directors of the Thailand Greenhouse Gas Management Organization, on 25 November B.E. 2568 (2025), the Board of Directors hereby issues the announcement as follows:

Clause 1. This Announcement is called the “Announcement of the Board of Directors of the Thailand Greenhouse Gas Management Organization on the Determination of Rates and Methods of Payment for Registration Fees and Certification Fees under the Thailand Voluntary Emission Reduction Program (T-VER), B.E. 2568 (2025).”

Clause 2. This Announcement shall come into force on the day following the date of its announcement.

Clause 3. The Announcement of the Board of Directors of Thailand Greenhouse Gas Management Organization on Determination of Rates and Methods of Payment for Registration Fees and Certification Fees under the Thailand Voluntary Emission Reduction Program, B.E. 2566 (2023) shall be repealed.

Thailand Greenhouse Gas Management Organization (Public Organization) shall assume no responsibility for any liability arising from the use and/or reference of this text. The original Thai text as formally adopted and published shall in all events remain the sole authority having legal force.

Clause 4. The registration and renewable of crediting period fee rates for Standard T-VER projects per application shall be determined as follows:

(1) For projects with expected annual greenhouse gas emission reductions or removals not exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 5,000 Baht;

(2) For projects with expected annual greenhouse gas emission reductions or removals exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq) but not exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 15,000 Baht;

(3) For projects with expected annual greenhouse gas emission reductions or removals exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 20,000 Baht.

The expected amount of greenhouse gas emission reductions or removals shall be as specified by the project participant in the Project Design Document (PDD).

Clause 5. The registration and renewable of crediting period fee rates for Premium T-VER projects per application shall be determined as follows:

(1) For projects with expected annual greenhouse gas emission reductions or removals not exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 10,000 Baht;

(2) For projects with expected annual greenhouse gas emission reductions or removals exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq) but not exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 20,000 Baht;

(3) For projects with expected annual greenhouse gas emission reductions or removals exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 30,000 Baht.

The expected amount of greenhouse gas emission reductions or removals shall be as specified by the project participant in the Project Design Document (PDD).

Clause 6. The carbon credit certification fee rates for Standard T-VER projects per application shall be determined as follows:

(1) For projects requesting carbon credit certification not exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 5,000 Baht **or** at 3,000 Baht request with a deduction of 10 tonnes of carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request;

(2) For projects requesting carbon credit certification exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq) but not exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), at 15,000 Baht **or** 11,000 Baht request with a deduction of 20 tonnes of

carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request;

(3) For projects requesting carbon credit certification exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), 20,000 Baht **or** 14,000 Baht request with a deduction of 30 tonnes of carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request.

Clause 7. The carbon credit certification fee rates for Premium T-VER projects per application shall be determined as follows:

(1) For projects requesting certification of carbon credits not exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq), 10,000 Baht **or** 5,000 Baht request with a deduction of 10 tonnes of carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request;

(2) For projects requesting certification of carbon credits exceeding 20,000 tonnes of carbon dioxide equivalent (tCO₂eq) but not exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), 20,000 Baht **or** 10,000 Baht request with a deduction of 20 tonnes of carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request;

(3) For projects requesting certification of carbon credits exceeding 60,000 tonnes of carbon dioxide equivalent (tCO₂eq), 30,000 Baht **or** 15,000 Baht request with a deduction of 30 tonnes of carbon dioxide equivalent (tCO₂eq) from the total amount of certified carbon credits per request.

Clause 8. When a project participant submits an application together with the required documents in the form prescribed by the Organization, and the relevant supporting evidence according to Clause 12, Clause 17, or Clause 24 of the Regulation of the Board of Directors of the Thailand Greenhouse Gas Management Organization on the rules, procedures, and conditions for consideration of Thailand Voluntary Emission Reduction Programme (T-VER), B.E. 2566 (2023), as amended, and upon receipt of notification from the Organization to effect payment, the project participant shall pay the applicable fee in full under Clause 4, Clause 5, Clause 6, or Clause 7, exclusive of value-added tax, within seven (7) days from the date of receipt of such notification. The project participant shall also submit proof of payment to the Organization. The fee may be paid by the following methods:

(1) Payment via an electronic payment system (e-Payment); or

(2) Payment by credit card payment, with a credit card processing fee of two percent (2%).

Clause 9. The fees collected by the Organization under this Announcement are administrative costs for the technical review of applications in accordance with scientific and methodological standards. The Organization reserves the right not to return the fees, irrespective of whether the application or the requests receives approval for the Board of Directors.

Clause 10. The Executive Director shall be responsible for the execution of this Announcement.

In the event of any issues regarding implementation of in relation to its implementation, the Executive Director shall have the authority to interpret and decide under this Announcement, the decision of the Executive Director shall be deemed final.

Announced on 17 December B.E. 2568 (2025)

(Mr. Wijarn Simachaya)

Chairman of the Board of Directors
Thailand Greenhouse Gas Management Organization
